

**Instructions**

Mark the oval to the left of the name of your choice.

To vote for a candidate whose name is not printed on the ballot, mark the oval to the left of 'write-in' and print the name clearly, staying within the box.

Do not make any marks outside the spaces provided for voting. If you do, your ballot may not count.

The number of choices is listed for each contest. Do not mark the ballot for more candidates than allowed. If you do, your vote in that contest will not count.

If you make a mistake, or want to change your vote, ask a poll worker for a new ballot.
